Motion Carried.

3. **Approve Minutes Previous Meeting**

Motion to approve FY17 Spring Minutes as presented made by Kelli Larson, seconded by Tiana Taylor 

Motion Carried.

4. **Public Comment**

Kelly Smith & Eric Stockhausen-Spoke against Region 3 Basketball Proposal, and against Cross Over Games at Regional Basketball Tournament.

Andrew Friske: Region 3 Proposal is not an action item for ASAA October meeting. Proposal will go back to Regions for discussion, then back to ASAA Board for final vote.

5. **Training – Sandi Wagner & Jaime Cabral**

Sandi Wagner:

Coaches Education: Coaches must be certified, and if not, huge liability. Sudden Cardiac Arrest is a free class at NFHS.com. If coach is not certified at State, they will not be given a pass, be allowed on sidelines, and fined $105. All coaches have to be certified (if called a coach must be certified); if a “helper” in practice doesn’t have to be certified, but also won’t have access to sidelines.

Master Eligibility: Please remember to have ALL students listed in Master Eligibility. This applies to any State event; even Art, Music, AASG, etc.

Region V Website: ASAA provides Region V website service for free. Host schools please email updated event information to Sandi Wagner so it can be posted on the website (AD’s please go to your school tab and make sure all information is correct). If you submit photos for website, please make sure they are high quality and in Landscape mode – would love to have every school represented.

ASAA 365: Some schools could not get the website to work and ended up not using for the season.
Transfers:
  Alternative Education Form: Use this for Home School students who wish to participate in activities and have the parent go through the checklist.

Reviewed Waiver Forms:
  Alaska Student Foreign Exchange and Travel Program Waiver
  Foreign Exchange International Student Registration
  Minimum Practice Waiver
  Student Eligibility Waiver
  Sunday Contest/Event Waiver
  Transfer Rule Waiver
  Bona Fide Change of Residence

Reviewed Dead Period: no contact between coaches and athletes.

   Moved to Day 2

7. Treasurer’s Report – (Yodean Armour)
   Moved to Day 2 with Audit/Budget Committee

8. Constitution & Bylaws – (Jaime Cabral)
   All are updated and online.
   Please remember Music Festival participation fee has been increased to $20.

9. Committee Reports
   A) Academic Decathlon – (Troy Thain)
      Dec 1 & 2 @ Ketchikan
      Jan 12-13th: @ Home (report scores)
      Feb 19-25th: @ Anchorage - State
   B) Art Festival – (Tiana Taylor)
      April 26-28th, 2017 @ Craig
      Jaime Cabral emailed handbook to everyone, please share with Art Teachers and bring feedback to Winter Meeting.
   C) Baseball/Softball – (Chad Bentz)
      Softball: Discussion to change rotation to every 4 years so Juneau school has opportunity to host on home field during a student’s high school career. Keep status quo, have a few years to figure out rotation.
      Susan Ross: hoping that Softball schedule can be set up like baseball – now that there is a Regional tournament, can it be changed to save money? In Softball games are reciprocated, but not in Baseball (so softball budget is double in comparison to baseball). Susan Ross will draft a proposal, AD’s will discuss with softball coaches for discussion. Susan Ross will bring proposal back to Winter meeting (so can be in effect for FY18 season)
BREAK @ 6:43 PM
BACK @ 7 PM
Jake Jacoby emailed Softball Tournament to share with coaches, bring back to Winter meeting.

D) Basketball 1A – (Kelli Larson)
No report

E) Basketball 2A – (Tiana Taylor)
No report
TJ Scott - ASAA Seeding Committee Representative

F) Basketball 3A – (Andrew Friske)
No report

G) Basketball 4A – (Lynn Wadley)
No report

H) Cheerleading – (Tiana Taylor)
Motion to approve changes to “Region V Cheer Tournament Information for Coaches” as presented made by Andrew Friske, seconded by Tiana Taylor.

I) Cross Country – (Jake Jacoby)
Susan Ross: Suggest communities host twice with 7-8 teams – having all teams in one spot was too much. Maybe all season there is a north/south split so not one site is hosting several hundred athletes-

J) Dance Team – (Tiana Taylor)
Reminder: Only eligible team members may be on the performance floor when the performance begins.

K) Drama, Debate, Forensics – (Lynn Wadley)
No report
Reminder: Skagway hosting instead of Haines Drama Clinic this year.

L) Executive Committee – (Jaime Cabral)
Committee: Chad Bentz, Tiana Taylor, Jaime Cabral, Susan Ross, Kelli Larson
No report

M) Football – (Chad Bentz)
Jake Jacoby: still discussing combining football teams in Juneau, discussion about potential Co-Op request. TMHS has enough for JV team, but not much for games for JV. JDHS has smaller numbers, and younger, inexperienced athletes playing entire games. ASAA will only support Co-op request if Region V will support.

N) Housing & Transportation – (Tiana Taylor)
Group Housing Rules:
1) Please contact the host school one week in advance of your intention to group house.
2) No change
3) No change
4) No change
5) When students are in host school, a school chaperone must be present.
6) No use of any school phones.
7) No change
8) No change
9) No change
10) No change
11) No change
12) If the host school requires you to be group housed during a dual contest, the host school will provide one meal a day.
13) No change
14) No change
15) During regularly scheduled 1A conference games, the host school shall provide at least two meals per day.

Motion to approve Group Housing Rules amendments as listed above made by Jake Jacoby, seconded by Lynn Wadley.

Motion Carried.

Discussion: AD’s need to communicate, especially when it comes to unused transportation (coach grabs a rental and doesn’t take bus).

BREAK @ 9:10 PM

Others Present: Yodean Armour (Secretary/Treasurer),
Principals: Paula Casperson (JDHS), Rene Martin (Haines), Laura Rogers (Sitka), Dan Larson (TMHS), Alan Schwab (SISD), Bob Marshall (Ketchikan), Mike Rath (Ketchikan Vice Principal), Taw Lindsey (Metlakatla)

O) Audit/Budget/Treasurer Report
Tax Status Update: Suggestion is 501c3 non-profit. Waiting on quote from Altman Rogers, $850 filing fee, favorable for tax exempt donations. Region V will need to ask Lawyer about individual school members and where liability ends with school districts.
Discussion: Reimbursement value when school's use their own mileage to save money during Region sponsored event, and how does travel budget change when an event has AK Airlines vouchers – Yodean Armour will bring back proposal for Winter meeting.
AK Airlines Voucher Designation (handed out to AD’s during discussion):

FY18 Honor Festival: 2
FY18 Music Festival: 2
FY18 BB Adjudicators: 2
FY18 1A BB raffle: 1
FY18 2-4A BB raffle: 1

Reminder: Host schools are responsible for tracking/collecting participation fees.

P) ASAA Report (Andrew Friske/Sandi Wagner)
Region 3 Basketball Proposal: Will be discussion only at next ASAA October meeting.
Proposal is because they feel under-represented and don’t have fair chance at State level.
Consensus: Need to be able to bring proposal back to Admin/Board of Education/Community
for discussion at local level. If it does need a vote on proposal before Winter meeting, an email ballot would go out (or teleconference if needed) to give Andrew feedback.

- Girls Wrestling:
  - 8 divisions. Each conference gets two bids. The state tournament will utilize a 16-person bracket. Unfilled berths will not be filled. If 6 of the 8 brackets have at least 12 wrestlers OR if the total number of girl wrestlers equals 100, then a team championship plaque will be awarded for the first and second place. At the conclusion of the 2019 wrestling tournament, if the number of girls wrestling does not warrant the awarding of team championships, then ASAA will no longer sanction girls wrestling as a separate sport.

Motion Carried
Motion to approve Girls Wrestling proposal made by Jake Jacoby, seconded by Mark Pick.
   Direction: there is some flexibility with number of wrestlers of 100
   Motion Carried.

- Music Copyright
  - Warm Up Music, not an issue. But lower 48 schools are being sued for using
    at dances, etc (Spotify is for personal use, so simply paying for subscription
    with school funds won’t cover it). Cheer/dance teams taking music and
    mashing them together is the most common violation.

- Out of Season Contact Policy
  - Addition of “with the exception of non-athletic fund-raising activities”. This
    suggestion came from Region V. Direction: in support as presented.

- Arbiter Athlete

- Baseball Pitch Count Review
  - Issue: Baseball teams quitting games early, since no pitchers left.
    - ASAA needs to implement a policy so teams in this situation do not
      violate policy.

- Soccer Sportsmanship Issues (Possible Supplemental Rules):
  1. Each school must have an administrator at every game. Administrator will
     identify themselves to host school or ASAA staff.
  2. Administrator wears a yellow vest to be easily identified.
  3. Require coaches that are ejected to take the NFHS Sportsmanship class
     before they resume coaching.
  4. Must have official scorebook that records all warnings, and cards. Have
     an official scorekeeper or home team keeps the book. Send warnings and
     cards to ASAA
  5. If a player receives a yellow card must remain out of the game for 5-10
     minutes or rest of game.
  6. A coach receives a misconduct yellow card they must remain seated for
     the rest of the game.
  7. Track all misconduct yellow cards. Any player or coach that receives (3-5)
     yellow card in one season sits out rest of that game and next game.
  8. A player or coach on the bench gets a yellow card or red card the head
     coach is removed for the rest of the game.
  9. If a player or coach is carded for violent conduct or abusive language
     there is a 3 game suspension.
     Violent conduct – disproportionate and unnecessary force against an
     opponent, intentionally contacting an official
  10. Use of any vulgar or profane language is a red card. (NFHS
      recommendation)
  11. If a team gets 3 ejections in the same season no post season play,
      assessed a fine and/or put on probation.
  12. Teams that accumulate 15 or more red & yellow cards combined in one
      season, no post season play, assessed a fine and/or put on probation.
  13. No fans on team side of the field, all fans must remain 15’ off touchline –
      in stands, barriers
  14. All coaches sign a code of ethics at the beginning of the season.
