O) **Housing & Transportation – (Tiana Taylor)**
Challenging year for ferry transportation– encourage schools to continue to reach out to AMHS about schedules. Southern Region V schools thankful for the special run made for Music Festival (LeConte).
Housing: Reminder to please communicate if sending a transgender student, or students that have a food allergy.
Heads Up: A school experienced a student discipline incident while being housed out which may result in legal action (Parent did not like idea of housing and mentioned working with lawyer to get rid of housing in Region V).

P) **Music – (Jake Jacoby)**
Jake Jacoby: Music Director has requested Region V board set the Fall Music Directors/Adjudication meeting dates. General Consensus: Keep status quo (Music Directors set their own meeting dates).
Request Region V pay for Pep Band All Star T Shirts under Trophies/Awards. Currently the only criteria to be in All Star Pep Band is to be a senior. Region V suggests a proposal be presented that includes additional criteria for selection to All Star Pep Band so that it can be added to the Trophies/Awards list.

Discussion: Lynn Wadley will order and ask Region V for reimbursement
Motion Carried

T) Strategic Planning (Jaime Cabral)

U) Student Government – (Tiana Taylor)
FY19 State Fall Conference site has not been selected. If your school is interested in hosting this conference please let ASAA know.

V) Swim/Dive – (Susan Ross)
No report

W) Tournaments – (Andrew Friske)
1A Tournament – great sportsmanship this year. Ran two (2) exhibition games (after awards & before 2nd seed games). Feedback was very positive since it provided more opportunity for floor time.

234A Tournament Schedule: schedule needs to be adjusted because students are sitting for three days. Discussion: like the idea of exhibition games – but need to have coach buy in to make it work.

Andrew Friske emailed everyone a 1A Exhibition Games Proposal and Basketball Tournament Rotations Proposal to bring back to coaches/administrators so they can be voted on at Fall Meeting.

X) Track & Field – (Jake Jacoby)
Discussion: Does Region V purchase or help purchase track and field equipment for Ketchikan? TMHS is hoping to get away from hosting Track & Field Regionals every year, but they are only school with required equipment. Estimated cost for system similar to TMHS is $14K. If Ketchikan purchased their own equipment they will save money by not having to travel every year. Schools buy their own equipment, and if Region purchases one school’s equipment, opens doors to other schools wanting the Region to help their school. Lynn Wadley will double check to see if Ketchikan can host a Regional tournament (meet various requirements) and go from there. Jake Jacoby will bring equipment price list to Fall meeting for discussion.

Y) Trophies & Awards – (Abby Meyers)
Trophies / Awards list needs to be reviewed – Dance Adjudication Ribbons need to be included (Lynn Wadley ordered enough for two years).
RFP Needs to be completed and posted – TMHS group and Juneau Rubber Stamp have expressed interest in wanting to provide trophies and awards.

Z) Volleyball – (Kelli Larson)
No report

**BB) Web Site – (Sandi Wagner)**
Please remember to send pictures to Sandi Wagner

**CC) New Region V ASAA Board Rep**
Motion to nominate Troy Thain for ASAA Region 5 Board rep made by Chad Bentz, seconded by Lynn Wadley.
Discussion: Term ends December 2018, Troy Thain should attend that meeting with Andrew Friske

Motion Carried

**DD) ASAA Report (Andrew Friske and Bill Strickland)**
- **Hockey Classifications:** raise the enrollment number for Division II Hockey to 850 and to assign teams to the following conferences:
  - Aurora (4 berths)  Rail belt (4 berths)
  - Tri-Valley  Homer
  - Delta Junction  Juneau Douglas
  - Hutchison  Kenai
  - Monroe Catholic  Soldotna
  - North Pole  Houston
  - Glennallen/Kenny Lake  Palmer
- **WPI system for selecting at-large berths and seeding 3A/4A basketball tournament**
  - Eliminate the WPI system for selecting the at-large teams and seeding the 3A/4A basketball tournaments. The system is to be replaced by utilizing a selection and seeding criteria to be determined during the April ASAA Board of Directors meeting
  - Discussed having the ASAA Staff develop a system for both selecting at-large berths and seeding the 3A/4A basketball tournaments. This system would operate similar to how Trackwrestling assigned points. Common criteria such as head to head, common opponents, record against teams having earned
berths, etc. would be used. Also discussed which teams should be included in the “at-large pool”.

- **Arbiter Athlete:** Arbiter Athlete to replace the current electronic eligibility system and to charge member school districts the following fees:
  - over 10,000 students, $12,500
  - 2,000 to 9,999 students, $9400
  - 750 to 1999 students, $4375
  - 400 to 749 students, $2500
  - 100 to 399 students, $950
  - 20 to 99 students, $350
  - 1 to 19 students, $125

- **Track and Field Reporting and Alternate Procedures:**
  - Require all conference meets to utilize Athletic.net with each division having its own file
  - ASAA will post the top 16 qualifiers and up to three alternates on the Sunday evening (or as soon as possible) prior to the State Event
  - Coaches must accept or decline these entries by 4:00 PM the following Tuesday. (Coaches of Alternates should check after 6:00 PM Tuesday, to see if their athlete is now a participant.)
  - If there is a declared scratch at the Coach’s Meeting, ASAA will invite the next available alternate that is already qualified into the meet in another event.

- **March Madness Basketball Venue:** accepted the RFP proposal from the Alaska Airlines Center for the five years beginning March 2019

- **State Championship Officials Policy:**
  - It is imperative that ASAA State championship events are officiated by experienced certified and highly competent individuals. **It is also imperative to avoid utilizing any official with an apparent conflict of interest. This could include but not be limited to: employee of school, parent of competitor, relative of coach, former player of coach, alumni of school. This could result in an official being re-assigned to a different game or being substituted with another official.**
  - It is also the intent of ASAA that each Region/Conference should have the opportunity for representation by an Official from their respective geographical region at state tournaments. However, when qualified and/or competent officials cannot be obtained from one region or conference, those positions will be filled from other regions of the state.

- **State Cross Country Running Championship Format:** beginning in 2019 to reclassify Cross Country Running into three divisions
  - Division I more than 500 students
  - Division II 151 to 500 students
  - Division III under 151 students

- **State Softball Location:** accept a six-year rotation for the State Softball Tournament between Fairbanks and Anchorage jointly made by the Anchorage Sports Association and the Interiors Girls’ Softball Association. The rotation will be:
  - 2018 Fairbanks
  - 2019 Anchorage
  - 2020 Fairbanks
Football Scheduling: Schools assigned to a conference must adhere to the following scheduling process. Schools will be considered to have broken a contract for each game not played. The following is the process.

- The five schools off the “road system” must provide the following amount of round trip airline tickets from Anchorage to teams scheduled to play them:
  - Barrow: 22 tickets
  - Juneau Schools Co-op Teams: 36 tickets (JV and Varsity)
  - Ketchikan: 22 tickets
  - Kodiak: 22 tickets

- Schools scheduled to play non-road system teams, must play those games if financial assistance is met.

- Each School District (Anchorage, Mat-Su, Juneau, Kenai, Ketchikan, Kodiak, Fairbanks, Monroe Catholic, North Slope and Valdez) may select a commissioner with the authority to schedule games for the members their district. The commissioners will meet to complete the entire schedule for all classifications. This meeting will be held in mid-January at a site selected by ASAA. The purposes of this meeting will be to ensure all teams have completed schedules. The cost to attend the meeting will be the responsibility of the commissioner’s school district.

- Once the schedule is completed, the commissioners will vote that it is finalized. In the event of a tie vote, the ASAA Executive Director will vote to break the tie.

- Once the vote is finalized, it will be considered a contract violation to not abide by the schedule, with the penalty having to pay the cost for the affected school to secure a game from an out of state opponent.

- Additional language will need to address issues such as: Out of state travel, requesting byes, and having to travel JV teams at the Division I level.

SMAC Composition: with the retirement of Dr. Lehmann and Dr. Keller from the Committee, Region 5 and Region 6 will need to recommend a replacement by the April Board Meeting.

- Eric Speck will be Region V nomination (unanimous)

Baseball Policy: discussed developing the following concept into policy:

- At any time during a HS baseball game if a team goes up by 15 or more runs the game goes into a “rollover” mode. The team ahead is then declared the winner. In the “rollover mode”, the team that is down 15 runs will pitch to no more than 9 hitters per inning. If the losing team doesn’t get 3 outs within those 9 hitters the inning would stop and you would roll the inning over and the team that was hitting would be done, even though they don’t have 3 outs and they would take the field to play defense.

- This method would allow the game to continue without causing the losing team to use up their pitching staff’s pitch count. Games would then end after 4.5 or 5 innings.
Alaska Students involved in Foreign Exchange Programs: discussed changing the Article 12 Section 3 bylaw to the following (Region V in support – neutral)
  o A.
