

REGION V VOLLEYBALL TOURNAMENT

SERVING/PASSING CONTEST

Each school is allowed to enter 2 servers and 2 passers. Contestants must be in uniform or team sweats. The following are guidelines for holding the contest:

- Contestants report to the scorer's table and draw for order of competition.
- Contestants will use 3 balls of their choice.
- The server serves a legal serve to the passer.
- The passer passes the serve to a target area with varying point values.
- Contestants are allowed 3 warm-up serves/passes and then 15 serves/passes for points. The server scores only on her first 15 serves. If she misses any of those, she will serve as many as needed to give the passer 15 opportunities to score.
