b. [ASAA Agenda](#)

c. Quick Notes:

i. Pre state testing Passed

Troy will send out, 3 different ways to get tested going to state tournament: PCR Test, Twice Weekly Antigen or PCR Testing or Once weekly Anigen. Other considerations (all for wrestling, mixed 6, soccer only), if they had vaccine or tested positive in the last 90 days they will not need a test. Mixed 6 will have to test and masks are required. Soccer test before tournament and masks are required.

ii. ASAA Mask Policy Passed

Will not have to wear masks on the matt, but when you are not actively wrestling you need a mask. If you are not 6 feet apart, you will have to wear a mask. There is another meet on the 26th of April. Troy will send out the information once it gets sent to him. 72 hours before competition.

iii. Wrestling Weigh-in Procedures Passed

25% of your weigh ins is what you will wrestle in state at, not 33% like in the past. If there is a problem in not having that, then take it to the ASAA Director, this is ONLY for this school year.

iv. 25% of your weights = state

If we have a proposal, please ensure it is ahead of time.

4. Wrestling Update:

- b. Schedule

Voted on in an Emergency Meeting for Wrestling

April 23th Friday	Region V Tournament D2 Ketchikan Region V Girls Tournament Ketchikan
April 24th Saturday	8 man Scramble - Bill Weiss Finish at 2:30 - Early Start (Ketchikan Prom)
May 13th Thursday	Region V Tournament D1

Scenario Question #1 - Wrestler A weighs in at the Region Tournament at 145. Previous weigh-ins were at 152. 25% of their weigh-ins were not at 145. Wrestler A qualifies for the state tournament the Region tournament. Wrestler A wrestles in an interscholastic competition AFTER the Region tourney at 145 and completes 25% of their 145 weigh-ins at this competition. Is the wrestler eligible for the ASAA State tournament?

Asked Sandi to weigh in on this one, the AD from the school will have to send in a waiver to Billy ASAA Director
